

## COMMUNITY INVOLVEMENT

Conner & Winters' attorneys and staff are leaders in sharing their time, talents, and resources. This service-oriented approach not only improves the communities where we live and work, it also enriches the lives of our attorneys and employees.

The non-profit and civic organizations we serve are diverse, reflecting the diversity of the talents and passions of our attorneys and staff. Some of the organizations where our people offer their time and talents include the following:

In addition, the firm's attorneys do a significant amount of pro bono legal work each year. This pro bono representation is done in service to our community, but also hones the skills of our attorneys and gives them a sense of pride in serving those that need it most. You may find our attorneys providing pro bono legal services at Tulsa Day Center for the Homeless, Tulsa Lawyers for Children, Parent Child Center of Tulsa, and Catholic Charities.
