

## **FEDERAL AND INDIAN LANDS LEASING AND ROYALTIES**

We also assist energy clients with leasing mineral properties and with royalty matters on federal and Indian lands. The firm has a long history of practicing before the federal agencies with jurisdiction in these areas, including the Bureau of Land Management, the Minerals Management Service, and the Bureau of Indian Affairs. In addition, this practice is supported by our American Indian/ Native American attorneys. Our attorneys who work in this area have experience in counseling clients on matters including state and federal royalty audits, administrative enforcement actions, and responses to administrative subpoenas.

Our [American Indian / Native American](#) practice area page includes additional information.
