CONNER & WINTERS WELCOMES 2025 CLASS OF SUMMER ASSOCIATES

05.19.2025

Tulsa, Okla. (May 19, 2025) - Conner & Winters is excited to welcome our 2025 class of summer associates!

These exceptional 1L and 2L law school students will spend the next six weeks working alongside attorneys in our Tulsa, Oklahoma City, and Fayetteville offices. During their experience, they will work on actual legal assignments and client work while gaining valuable mentorship from our attorneys.

A social calendar full of practice group lunches, mixers, and events gives both our attorneys and these summer associates ample opportunity to get to know each other on a much deeper level.

You can learn more about our summer associate program here: <https://www.cwlaw.com/careers-summer>

Engaging with our attorneys on real-world legal projects gives these future lawyers insights into how they can build a legal career that reflects that signature Conner & Winters quality of being a step above the rest.
