The Best Lawyers in America®: Ones to Watch award honors lawyers who have been in private practice for less than 10 years, and who have practiced outstanding professional excellence. The new recognition follows the same peer review methodology that Best Lawyers® has used for 40 years in its standard lawyer listings.

“The firm attracts exceptionally talented attorneys, so it’s no surprise that our professional peers would nominate and rank highly some of our most promising young lawyers spanning a variety of practice groups,” said Scott Hathaway, president of Conner & Winters.
