

## **HOUSTON**

Niels Esperson Building  
808 Travis Street, 23rd Floor  
Houston, TX 77002  
T 713-650-3850

Conner & Winters realized the need for a Houston presence in order to fully service its existing and new clients located there. The Houston office opened in 2003 and continues to expand and establish a larger presence within the Texas legal community. The office presently provides legal services in the following areas of law: Administrative Proceedings; Alternative Dispute Resolution; Trials and Appeals in Civil Cases in State and Federal Courts; Employee Benefits; Employment and Labor Relations; Energy; Environmental; Immigration; and International. In addition, almost all other areas of law are accessible through the firm's other offices.

## **Directions**

### **LOCATION**

The Houston office is located in the Niels Esperson building at 808 Travis Street, 23rd Floor, Houston, Texas 77002. The office building faces Travis Street with Milam running parallel and Walker and Rusk running perpendicular. Downtown Houston has a series of one-way streets: Travis runs North East, Walker runs North West, Rusk runs South East and Milam runs South West. Rusk has the light-rail system in right lane. Main Street, which is a two-way street downtown, is one block South East of our building and has a light-rail system that runs North East and South West. We are also connected to the Mellie Esperson building located at 815 Walker Street

### **VISITOR PARKING**

Garage parking is available in a garage attached to the building and can be accessed on Rusk Street at Milam Street. Valet parking is available on floors 1 and 2 of the garage. Surface parking is available at the corner of Walker and Milam.

**OFFICE HOURS AND AFTER HOURS ACCESS**

Office hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday. A building security guard is on duty 24 hours a day, and employees or visitors who arrive after office hours or on weekends are required to check in at the guard station before entering the office suite. If entry into the office suite is required after hours or on weekends, arrangements should be made in advance during regular business hours.

**CONFERENCE ROOMS**

There are two conference rooms available within the suite – one has seating for eight and the other has seating for six. If more space is required, a larger conference room is available in the building for free. The building conference room will seat up to 36 – 8 tables, 16 executive chairs and 20 folding chairs. Arrangements for scheduling a conference room can be made by contacting Tricia Pryor, 713-650-3850, e-mail ppryor@cwlaw.com.

**NEARBY AMENITIES**

In the tunnel and directly below our building, we have a food court. We are connected to the downtown tunnel system that offers a variety of restaurants and services (hair salons, copy/print service, clothing stores, etc.). Many of the local restaurants offer catering and/or delivery.

There are many hotels within walking distance of the office, some of which are connected through the tunnel system and a series of skybridges.
