An McV Government Affairs Alert

July 1, 2020

On June 29, 2020, Governor Wanda Vázquez-Garced signed Executive Order 2020-048 (“EO 2020-048” or the “Executive Order”) to, among other matters, extend the curfew set forth in Executive Order 2020-044 and continue with the gradual reopening of the economy.

EO 2020-048 also continues to ease the limitations imposed by previous administrative bulletins by considering the recommendations of the Puerto Rico Economic and Medical Task Forces to establish a fourth phase of reopening and the guidelines set forth in the United States Department of National Security’s *Guidance on the Essential Critical Infrastructure Workforce: Ensuring Community and National Resilience in COVID-19 Response*.

For your convenience, in this Alert we will highlight the major modifications and amendments contained in this new Executive Order as the Government continues to ease into an economic reopening transition. We will refer to our previous Alerts as needed.

Extension of Curfew

The curfew set forth in EO 2020-044, from 10:00pm until 5:00am, continues until July 22nd, 2020.

Government Operations

According to Section 3 of EO 2020-048, government agencies will continue offering services that may be rendered remotely, as detailed in our EO 2020-038 Alert.

Executive Order 2020-048 Extends Curfew; New Modifications Announced

Starting on July 6th, and subject to each agency's health and safety parameters, government agencies that offer services to the public shall reopen to the public in their facilities.
