Lauren B. McMillen is a member of Plunkett Cooney's Insurance Coverage Practice Group. She focuses her practice on complex insurance coverage disputes under a variety of primary and excess general liability policies.

A partner in the firm's Bloomfield Hills office, Ms. McMillen consistently achieves favorable results for her insurer clients through litigation in both state and federal courts. She is licensed in Michigan, Illinois, Indiana and Wisconsin, but maintains a national practice assisting her clients wherever they need counsel. Ms. McMillen's experience includes claims involving high exposure losses, long tail environmental contamination, construction defects, product defects, bodily injury and property damage, asbestos and other toxic torts, additional insured issues, and bad faith and extracontractual allegations.

In addition, Ms. McMillen regularly acts in an advisory capacity for her clients by providing counseling on coverage issues, intra-carrier disputes, claim monitoring and administration, as well as developing creative solutions to various insurance coverage disputes before they result in litigation.

Representative Client List

- Defended insurer in coverage litigation and settlement negotiations involving environmental contamination at 13 separate sites located throughout the nation
- Defended insurers in coverage litigation involving a class action claim of bodily injury stemming from environmental contamination in Indiana
