Michigan Super Lawyers magazine has named 15 attorneys from Plunkett Cooney, one of Michigan's oldest and most accomplished law firms, to its 2023 list of "Rising Stars."

Published by Thomson Reuters, Michigan Super Lawyers compiles its annual list based upon a patented selection process that involves peer nominations, independent third-party research and peer evaluation by a credentialed panel of attorneys. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis.

To be considered a Rising Star, candidates must be either 40 years old or younger or licensed to practice for 10 years or less. No more than 2.5 percent of eligible attorneys receive the "Rising Star" designation.
