Ten Plunkett Cooney attorneys were recently selected by their peers for inclusion in the *Best Lawyers: Ones to Watch* 2022 edition.

The Ones to Watch awards are recognitions given to attorneys who are earlier in their careers for outstanding professional excellence in private practice in the United States. The award recipients typically have been in practice for five to nine years, focusing on one or more of the 77 areas of expertise that were recognized.

The methodology for determining these awards remains the same as it did when Best Lawyers was founded almost 40 years ago: a peer-review survey in which lawyers within their own geographic region nominate their peers. These lawyers are not allowed to select nominees from the same area(s) in which they practice, and it is not a fee-based listing.

Below is the list of Plunkett Cooney attorneys who have received the 2022 Best Lawyers Ones to Watch recognition:
