Austin Prewitt is an associate in the Tax Practice Group in the firm's San Diego (Del Mar) office.

Areas of Practice

Austin specializes in the complex fields of estate planning, estate and gift taxation, probate and trust administration, and charitable giving. His practice is particularly oriented towards serving high net worth individuals and families, providing them with tailored legal solutions that address both financial and personal objectives. Austin's approach is deeply client-focused, emphasizing personalized strategies that align with each client's unique circumstances. He collaborates closely with his clients to develop comprehensive estate plans that safeguard wealth while respecting personal wishes, navigating probate and trust administration to ensure seamless asset transition, and optimizing estate and gift taxation to maximize wealth transfer potential.

In his practice, Austin employs advanced strategies to facilitate the efficient transfer of family wealth. By utilizing tax-efficient structures, he ensures that wealth transfer aligns with both short-term and long-term tax planning goals. He also integrates clients' personal values and objectives into their estate plans, achieving desired personal and philanthropic outcomes.
