Abigail Zeimis is an associate in the Business Trial Practice Group in the firm's Orange County office.

Areas of Practice

Abigail represents clients across a spectrum of commercial and complex litigation, focusing on the defense of disability access discrimination claims under both the Americans With Disabilities Act and state accessibility standards. Her experience includes defending restaurants, grocery store chains, home improvement and sporting goods stores, the hospitality industry, and owners of commercial and residential properties, with respect to disability access claims relating to websites, physical locations, or company policies. She is committed in providing effective legal solutions that align with her clients' objectives, emphasizing strong relationships and continuous communication throughout the litigation process.
