Dominique Combs is an associate in the Intellectual Property Practice Group in the firm's San Diego (Del Mar) office.

Areas of Practice

Dominique is a patent attorney and focuses her practice on patent procurement, strategic patent portfolio development and patent litigation.

Dominique is well versed in litigation matters involving patent and contract disputes. She also drafts and prosecutes patent applications in the areas of computer software, social media, social networks, video games, virtual worlds, virtual and augmented reality, financial services, blockchain technologies, mechanical devices, medical devices, aerospace, business methods, and farming, among others. Dominique is accomplished in counseling a wide variety of clients including those with large portfolios as well as those in the startup phase. She also has experience negotiating patent terms and navigating patent issues during acquisitions.

While attending law school, Dominique was an intellectual property law clerk for a golf equipment company and an extern for the U.S. Patent and Trademark Office.
