J. Anthony Girolami is a partner in the Real Estate, Energy, Land Use & Environmental Practice Group and a member of the firm's Energy, Infrastructure and Project Finance Team. He is the Leader of the firm's Latin American team.

Areas of Practice

Anthony specializes in corporate and energy-related transactions with an international focus. As a member of the Energy, Infrastructure and Project Finance Team, Anthony represents both U.S. and international clients in cross-border business transactions involving the development and financing of renewable energy projects, agricultural developments and basic infrastructure in the United States, Latin America, and Asia. He has represented financial institutions, infrastructure developers and renewable energy companies in the formation of joint ventures, project financings, greenfield project developments, construction and supply contracts, off-take agreements and distribution agreements.

Prior to joining Sheppard Mullin, Anthony was a partner in the Energy Development Group at Stoel Rives LLP in San Diego. He also founded and managed the Girolami Legal Group, a business law firm in San Diego, California (2010–2015), was counsel with the Mexico City office of Chadbourne & Parke (2006–2009), and a senior associate at Shearman & Sterling LLP in New York and São Paulo, Brazil (2003–2006).
