

Illinois Marijuana Laws and Regulations 2022

LexisNexis
10.24.2022

Illinois Marijuana Laws and Regulations 2022 outlines the fast-evolving and complex regulatory framework of marijuana in Illinois in an easy-to-follow guide for cannabis and ancillary businesses.

The book includes both the Cannabis Regulation and Tax Act and the Cannabis Control Act, as well as related laws and regulations selected from throughout the Illinois Compiled Statutes Annotated and the Illinois Administrative Code. The book also discusses various cannabis-related legal issues, including:

- Overview of the Cannabis Social Equity Program
- Cannabis and IP Issues
- Insurance
- Insolvency and debt remedies for cannabis companies
- Real Estate
- Data Privacy issues
- Labor and Employment laws

Sheppard Mullin Chicago attorneys Bradley Graveline, Rebecca Mackin and Kathryn Ryan Douglas authored the book with special assistance from Mikela Sutrina on labor and employment, Catherine Jun on insolvency and debt, as well as invaluable assistance from law clerks Matt Benz, Annie Hao and Hope Harriman.
