Please join our esteemed panel on Tuesday, May 22 (networking: 5:30-6:15pm, meeting: 6:15-7:45pm PST), to discuss two prominent San Diego ESOP success stories - Epsilon Systems and TechFlow.

Bryan Min, founder and CEO of Epsilon Systems Solutions, and Rob Baum, Founder and CEO of TechFlow, will discuss why they embraced the employee ownership model and how ESOP ownership has positively impacted their organizations.

Larry Kaplan of CSG Partners, a leading investment bank specializing in ESOPs, will discuss the unique benefits to founders available through ESOP transactions, including those particularly advantageous to companies doing business with the government.
