

PwC Profit Workshop: Cyber Incident Response

09.12.2018

Location:

5375 Mira Sorrento Place San Diego, CA 92121

About:

Justine Phillips is a panelist at this event.

The list of hacked organizations and enterprises grows daily. Every company hopes it won't happen to them, but the reality suggests otherwise. How should corporations respond to a data breach?

Our panel will feature FBI, Legal and industry executives complemented by national accounting firm cyber experts. Explore more about our panelists by clicking on the speaker tab on the left hand side of this webpage.

This program will offer actionable takeaways for Finance, Internal Audit, IT and Legal departments.
