Sheppard Mullin, HealthScape Advisors and Ziegler will host an evening of contemporary art, craft cocktails and delicious hors d'oeuvres in conjunction with the **2018 JP Morgan Healthcare Conference**.

Attendees will enjoy an exclusive look at **Intertwine**, the latest exhibit by London-based installation artist Rebecca Louise Law, who specializes in artworks made with natural materials, namely flora. Ms. Law is passionate about natural change and preservation, allowing her work to evolve as nature takes its course and offering an alternative concept of beauty. Her suspended artworks have appeared everywhere from Times Square to the Royal Academy of Arts in London. In 2016, she made headlines with an upside-down meadow at the Chelsea Flower Show.
