

Risk Management Considerations

Cybercon

11.21.2019

Where:

Anaheim Convention Center
800 W Katella Ave.
Anaheim, CA 92802

When:

9:30 a.m. - 10:30 a.m.

Sheppard Mullin Speaker:

Justine Phillips, partner San Diego, will be a panelist at this event

About:

How is cyber risk interpreted and managed? What metrics are used? Is it consistent with the approach taken by the power sector? More than just standards compliance, continuous assured operations are needed so are we transforming the industry culture quickly enough to get ahead of bad actors? What can the industry do to mitigate, avoid and transfer risk.
