

PrivacyConnect Online

PrivacyConnect San Diego

05.22.2020

When:

9:00 a.m. – 11:30 a.m.

Sheppard Mullin Participant:

Justine Phillips

About:

PrivacyConnect webinars are free, virtual events that provide an overview of the latest global regulatory updates, requirements, and trends. Through our interactive format attendees are able to discuss and share best practices to remain compliant. All webinars will conclude with a panel discussion where audience members will be able to ask questions on the most pressing local issues facing today's privacy and security professionals.

Agenda:

9:00 | CCPA Consumer Rights

9:30 | Vendor Risk Management

10:00 | Expert Panel Session, Q&A
