Cannabis Webinar Wednesday - Cannabis and Social Equity Programs

Join Sheppard Mullin's Cannabis Industry Team leaders, as they discuss social equity programs in the cannabis industry. This webinar will analyze how local governments have sought to recognize and address the long-term impact that federal and state cannabis enforcement policies have had on communities of color. The presentation will also provide tips on how to apply for licenses through social equity programs and enter the cannabis industry. If your cannabis-related business aspirations have been impacted by the war on drugs, you have a cannabis-related conviction or you are a member of a racial or ethnic minority group, this webinar is for you.
