Don't miss this unique opportunity to hear a panel of healthcare valuation, healthcare private equity, medical facilities, corporate and healthcare law professionals discuss:

- What they are seeing in the market with valuation trends in various sectors;
- What's hot and what's not;
- What buyers are thinking about in terms of pricing during COVID;
- Steps sellers should consider to improve or maintain valuation in a transaction; and
- What to do and what not to do when you're getting ready for a sale transaction, and related topics

This is the first part of a two-part webinar series. Stay tuned for more information on the second webinar entitled "Thriving or Surviving – What Strategies are Working for Growth During the COVID-19 Pandemic".
