

American Bar Association: 38th National Institute on White Collar Crime

Significant Legal Developments in the Regions – Northeast Region

March 1 - March 3, 2023

We look forward to welcoming everyone to a back-to-normal, in-person, Institute beginning at 9:00 a.m. on March 1, 2023, until noon on Friday, March 3, 2023, at the Hyatt Regency Hotel in Miami, Florida.

We will have a full program that includes several “ethics” and “skills” sessions to satisfy the CLE requirements of all state bars. The much-acclaimed panels of United States District Judges, general counsel of leading corporations, and of the Directors of Enforcement of the Securities and Exchange Commission and the Commodity Futures Trading Commission, as well as senior representatives of the Department of Justice Criminal Division will all return. In addition, on Friday morning, distinguished speakers will explore the ethical issues and challenges that have confronted prosecutors and defense counsel in recent high-profile white collar crime cases.
