

2023 Year End Forum DCAA/DCMA Industry Day

Current Legal Cases and Outcomes

11.01.2023 | 9:15 AM

Leaders from DCAA, DCMA, and DOJ, along with regulatory compliance and legal experts, will panel and explore the latest developments in the government contracts environment. This will include our experts covering:

- Recent case law
- Regulatory changes
- Cost or pricing issues
- Enforcement actions affecting the industrial base
- Business system focus areas by the respective agencies. and
- Supply chain resilience.

This program will also cover new perspectives on agency transitions and the state of the regulatory landscape moving into 2024, considering the in-process 2024 National Defense Authorization Act.

Speakers:

- Ryan Roberts, Partner, Sheppard Mullin
- Chad Braley, CEO, Capital Edge
