

Space Beach Law Lab

Collaborative Space Infrastructure: Navigating Regulatory Challenges

Long Beach, CA

02.29.2024

Space Beach Law Lab serves as a dynamic platform where lawyers, legal leaders, and regulators convene to share insights and expertise. United in focus, this influential community strives to accelerate progress, align strategies, and shape the future of the space industry.

Join us aboard the historic Queen Mary, where history meets innovation, for a unique learning experience like no other.

Speaker:

- Jodi Goldberg, Associate, Sheppard Mullin
