

Sanctions and Export Compliance in the UK Conference

The Next 4 Years of International Trade Regulations

London, UK

November 13-14, 2024

Every year in London UK export controls compliance specialists meet to discuss and learn. Whether your interest is in the updated EU Dual-Use regulation, US, UK and EU sanctions or investment controls, Chinese export controls and “Anti-Sanctions Law” or US re-exports, if you export out of Europe – this is your event. Let’s face it, the only constant nowadays in export control – is change. Do not get caught out, drop us a line to talk further and attend.

Speakers:

- Reid Whitten, Partner, Sheppard Mullin
- Scott Maberry, Partner, Sheppard Mullin
- Julien Blanquart, Associate, Sheppard Mullin

Scott Maberry led the panel discussion of “AI in Export Control Compliance: Surveying the Threats and Opportunities” on November 13, 2024.

Julien Blanquart presented on the panel “U.S. Export Controls Applicable to UK and European Business” on November 14, 2024.
