Some of the recent changes to the PTAB could result in some fundamental changes that require shifts in strategies, tactics, and risk considerations. This update provides an overview of the changes that have already occurred, likely changes coming this year, as well as suggestions on re-aligning strategies for patent disputes overall.

Speakers:

- Harper Batts, Partner, Sheppard Mullin
- Chris Ponder, Partner, Sheppard Mullin
- In-House Counsel TBD

Agenda:

- 11:30 AM - 12:00 PM Registration, Lunch, Networking
