Join Sheppard Mullin and RSM for a forward-looking webinar that explores the evolving regulatory environment and its impact on financial institutions. This session will provide a strategic overview of key compliance challenges and enforcement trends shaping the industry, including developments in state legislation, AI governance, consumer protection, and fintech risk management.

Designed for compliance professionals, legal advisors, and financial services leaders, the webinar will offer practical insights and expert perspectives to help organizations stay ahead of regulatory shifts and prepare for what's next.

The session will conclude with a live Q&A, giving attendees the opportunity to engage directly with our panel.

*\*This webinar qualifies for CRCM CPE and CLE credits, available upon request.\**
