A Fireside Chat with Dr. Susan Monarez, Former CDC Director

Texas Tower, Houston

11.19.2025

Join us for a fireside conversation with Dr. Susan Monarez, the first Senate-confirmed Director of the Centers for Disease Control and Prevention (CDC) and co-founder of ARPA-H, as she reflects on leading through complexity and driving innovation in health and technology. Dr. Monarez will share perspectives on how scientific progress, data, and leadership can shape a more responsive and resilient health ecosystem. Following her remarks, Margia Corner, Partner at Sheppard Mullin, will discuss the evolving legal and reimbursement landscape influencing health innovation and the opportunities ahead for policymakers and industry leaders.
