

Cyber Year In Review

Webinar

12.03.2025 | 12:00-1:00 PM ET

Event Sponsor: The Coalition for Common Sense in Government Procurement

Join us on December 3, from 12:00 – 1:00 PM (ET) for a Cyber Year in Review webinar with guest presenters Townsend Bourne, Partner at Sheppard Mullin, and Michael Gruden, Partner at Crowell & Moring. During the webinar, Townsend and Michael will examine the federal cybersecurity developments that shaped the past year and the implications for contractors heading into 2026.

This session will cover major updates across federal cybersecurity programs, including the ongoing rollout of the Cybersecurity Maturity Model Certification (CMMC) requirements, strengthened expectations around protecting Controlled Unclassified Information (CUI), and other initiatives aimed at securing the Defense Industrial Base and government networks.

Townsend and Michael will unpack some of the year's most significant compliance challenges, offering practical guidance on interpreting federal standards, managing cyber risk, and aligning internal processes with evolving policy requirements.

This webinar will provide an actionable recap of the year's biggest developments and what organizations should be preparing for in 2026. Make sure to register for this timely briefing today!
