

Pub K's Annual Review 2026

Cybersecurity

02.11.2026 | 10:10-11:10 AM

Our **Cybersecurity** panel will provide a timely update on the rapidly evolving cybersecurity compliance landscape for government contractors and cloud service providers.

The panel will discuss the finalization of the Cybersecurity Maturity Model Certification (CMMC) program, including the new DFARS clause, contractor requirements, and practical considerations for CMMC scoping and assessments. Panelists will also cover recent developments and initiatives under FedRAMP affecting cloud service providers, as well as enforcement trends under the Department of Justice's Civil Cyber Fraud Initiative, highlighting recent settlements and key takeaways.

The discussion will conclude with an overview of the current status of proposed FAR and DFARS cybersecurity regulations and what contractors should expect going forward.
