

Spring Houston Healthcare Roundtable Discussion - Regulatory Change & Readiness: Leading Health Systems Through an Evolving Landscape

Sheppard Mullin Houston
02.12.2026

As regulatory expectations continue to evolve, health system CLOs are guiding their organizations through ongoing legal change while supporting innovation and long-term strategy. This roundtable will explore how legal leaders are looking ahead to the year to come: anticipating regulatory developments, enhancing organizational readiness, and partnering with internal teams to navigate complexity thoughtfully and proactively. The discussion will focus on real-world perspectives, lessons learned, and practical approaches they are using to lead effectively in a dynamic legal and regulatory environment.
