

## Bloomberg Law In-House Forum

### Privacy Patchwork: Amendments, Trends, and Federal Prospects

Webinar

02.26.2026 | 2:20-2:45 PM EST

Event Sponsor: Bloomberg Law

With fewer new state privacy laws but continued amendments and targeted regulations, the privacy landscape remains in flux. This session highlights recent state developments and potential directions for federal privacy legislation.

#### Speakers:

- Liisa M. Thomas, Chicago Office Managing Partner and Lead, Privacy and Cybersecurity Team, Sheppard Mullin
- Nicolette Martz, Senior Director, Legal and Head of Privacy, Legal, Yelp
- Sennetta Dzamefe, Content Analyst, Bloomberg Law

#### Who should attend:

All members of in-house legal teams—from general counsel to senior and staff attorneys—engaged in AI governance, privacy, labor and employment, and regulatory compliance.

#### Earn CLE Credit:

Request certification when you register for this event. Certificates will be issued, pending requirements are met. This is a 105-minute course. You must be present for the entire course to earn CLE credit. No partial credit is offered.
