Please join us for Sheppard Mullin's annual "Breakfast with Your Labor Lawyer." 2014 presents significant developments in California labor and employment laws. We will explain how these new developments will affect day-to-day decisions, and provide practical advice for employers on how to respond and protect themselves from liability in the workplace. The topics covered will include updates on the following:

- Total impact of the new minimum wage increase
- Effectively engaging in the interactive process and avoiding disability discrimination claims
- Data privacy in the e-workforce
- Retaliation claims on the rise
- Best practices in workplace investigations
- Updating your employee handbook and policies
- Trends in class action litigation
- Wage and hour updates
- Legislative updates

Our attorneys will be available after the presentation to answer all of your legal questions.
