Sheppard Mullin invites you to the second in a series of breakfast briefings in our Chicago office addressing domestic and global employment law developments, legislation, and trends affecting the workplace. Each briefing focuses on a unique topic relevant to companies doing business in Illinois, the United States and throughout the world.

Navigating the Labyrinth: The Interplay Between State, Federal and Global Employee Leave of Absence Laws and Related Rights

Leave of absence compliance implicates a myriad of state, federal and global laws. Managing leaves requires an understanding of how these laws and related procedures interact. In this briefing, we will guide employers through the maze of applicable laws and outline best practices for managing leaves of absence. Specifically, we will cover:

- Summary of various employee leave entitlements, including the FMLA, ADA, and workers' compensation laws, as well as international law equivalents
- Interplay between various leave laws and common pitfalls
- Determining and managing leave eligibility
- Recent developments in case law and statutes
- Effective documentation and implementation
- Return from leave entitlements domestically and globally

The program is designed for General Counsel, In-House Employment and International Counsel, Human Resources Managers, Leave Specialists, Department Heads and Executives.

Speakers:

- Brian Arbetter, Partner, Sheppard Mullin
- Kevin Cloutier, Partner, Sheppard Mullin
