

Sheppard Mullin Recognized in *Chambers FinTech Legal Guide 2025*

Chambers FinTech
12.23.2024

Sheppard Mullin has again been ranked among the nation's leading payments, blockchain, cybersecurity and data protection firms in the 2025 edition of *Chambers FinTech Legal* guide. The firm was recognized for advising FinTech innovators on blockchain technology, NFTs, digital currencies and financing rounds.

"Sheppard Mullin has an incredibly responsive team. Different functions stay coordinated and are very efficient with staffing, possessing a clear understanding of our business needs," remarked one client.

The *Chambers FinTech Legal* guide ranks firms that represent clients in the fintech industry, including fintech startups, incumbent tech and financial services firms and private equity and venture capital investors.
