

Valérie Demont Named Among Top 100 India-focused Global Lawyers by *India Business Law Journal* For Second Consecutive Year

India Business Law Journal
03.24.2020

New York Corporate partner Valérie Demont has been named by *India Business Law Journal* in its 2020 Top 100 A-List of global legal professionals who focus on India for the second consecutive year. This list reflects the views of in-house counsel and lawyers at Indian law firms, who were invited to nominate the top private practice lawyers carrying out India-related work from outside of the country.
