

Sheppard Mullin Healthcare Team Represented PT Solutions in Acquisition of ActivePro Rehab Partners

10.10.2023

Sheppard Mullin advised PT Solutions, a portfolio company of General Atlantic, with the healthcare regulatory review and analyses, including healthcare fraud and abuse compliance, HIPAA and data privacy and security support, of its acquisition of ActivePro Rehab Partners (ActivePro), a physical therapy practice with locations in New Jersey, Pennsylvania and Maryland. PT Solutions offers an array of physical therapy services spanning outpatient, inpatient and acute care settings, while also providing industry-leading professional development opportunities to its clinicians, including an APTA-accredited Orthopedic Residency Program, ongoing clinical education resources and dedicated mentorship programs.

The Sheppard Mullin team representing PT Solutions was led by partners Aytan Dahukey and Phil Kim, special counsel Amy Dilcher and Steven Chananie and associates Carter Gage, Michael Sutton, Cynthia Suarez, Julia Kadish, Alexandria Foster and Elizabeth Nevins.
