

## Sheppard Mullin Advised Segers Aero Corporation in its Acquisition by H.I.G. Capital

04.11.2024

Sheppard Mullin partners Zac Turke and Rambod Peykar represented Segers Aero Corporation and Segers Aviation S.A. (together, "Segers"), a provider of essential maintenance, repair, and overhaul (MRO) services on mission-critical military platforms, in its acquisition by H.I.G. Capital. Segers maintains a wide range of approvals from Rolls Royce, Lockheed Martin and Honeywell, in addition to national airworthiness approvals from the United States, European Union, and the United Arab Emirates (UAE). This investment represents a new platform for H.I.G. with a view toward incremental investments to expand Segers' capacity and opportunities in MRO services.

Other members of the Sheppard Mullin deal team included Vincent Shin, Frank Dworak, Scott Maberry, Keith Szeliga, Dmitriy Chelnitsky, Michael Chan, Michael Weissnar, Jonathan Wang, Brian Egan and Andrius Kontrimas.
