

Sheppard Mullin Represented Vidterra in Sale to NexTech Solutions

01.08.2026

Sheppard Mullin represented Vidterra, a leading developer of edge deployed video distribution software, in its acquisition by NexTech Solutions (NexTech), a mission-driven provider of edge-focused software and solutions for the defense, intelligence and homeland security sectors.

Vidterra, recognized for developing software that simplifies how video and sensor data are processed, fused and delivered in challenging environments, including disconnected and low-SWaP scenarios, will continue advancing its technology as capabilities are integrated across the NexTech portfolio.

The team was led by Frank Bacelli and Jeffery Bowling, with invaluable assistance from John Crisp, Wynter Deagle, Shawn Fabian, Claudia Hinsch, Ryan Roberts, Drew Svor, Olivier Theard, Dimitris Vallindas, Carlo Van den Bosch, Brian Weimer, Reid Whitten, Daniel Alvarado, Patrick Diaz, Betsy Luxenberg, Umar Sattar and Maeve O’Leary.
