

Sheppard Mullin Advised BlueHalo in Acquisition of Verus Technology Group

04.04.2023

Sheppard Mullin represented Arlington Capital Partners and its portfolio company BlueHalo, a leading provider of critical capabilities and technologies across Space, c-UAS, Autonomous Systems, and Cyber domains, in its acquisition of Verus Technology Group, Inc. (Verus). Verus designs, develops, and integrates counter-Unmanned Aerial Systems products utilizing industry-leading radio frequency and digital signal processing technologies.

The Sheppard Mullin deal team was led by partner Frank Bacelli and associates Jeff Bowling, Shinduk Seo and Ryan Lee. Invaluable assistance was provided by Michael Baranovic, John Crisp, Keith Gercken, Sean Kirby, Fatema Merchant, Olivier Theard, Carlo Van den Bosch, Robert Gorzelany, Verity Rees, Sarah Blitz, Elfin Noce and Jarred Ramo.
