

Sheppard Mullin Represents RadNet in \$225 Million Public Offering

06.14.2023

Sheppard Mullin is advising RadNet, Inc. in connection with its public offering of 7,575,000 shares of its common stock, for expected gross proceeds of \$225 million. The public offering was underwritten by Jefferies and Raymond James, as representatives of the underwriters and saw strong investor demand. RadNet is a national leader in providing high-quality, cost-effective, fixed-site outpatient diagnostic imaging services. It provides radiology information technology and artificial intelligence solutions, teleradiology professional services and other related products and services to customers in the diagnostic imaging industry.

The Sheppard Mullin deal team is led by relationship partner Linda Michaelson, along with partners Jamie Mercer and Stephen Cohen and associates Monica Youssef and Hannah Zelcer.
