

Feeling The Pain From A Divided Supreme Court Ruling

Law360

10.08.2019

Real Estate Partner Keith Garner comments on how the U.S. Supreme Court's plurality decision for *Rapanos v. U. S.*, that is still sowing confusion years later. "If we had a clear majority opinion in the original case in 2006, I don't think there would've been as much room for interpretation by lower courts or by the agencies."
