

Michael M. Stojsavljevic

ASSOCIATE

Mike is an associate in the Vorys Cleveland and Akron offices and a member of the intellectual property (IP) group. He has a background in electrical engineering and software and technical experience with systems testing and automation. Mike has also worked on *inter partes* reviews (IPR) and has experience drafting and prosecuting patent applications related to artificial intelligence, integrated circuit design and manufacturing, distributed systems, power electronics, power distribution systems, autonomous vehicles, control systems, medical imaging devices, and surgical instruments. Additionally, he previously worked as a patent engineer and patent agent at another firm that specialized in intellectual property.

Mike received his J.D. from Cleveland State University College of Law. He received his bachelor's in electrical engineering and a minor in mathematics from Cleveland State University.
