Education

University of Texas at Austin,
Ph.D., Chemistry, 2024

Kenyon College, B.A.,
Biochemistry, *magna cum laude*,
2019

Hannah is a scientific advisor in the Vorys Cleveland office and a member of the intellectual property (IP) group.

Hannah received her Ph.D. in chemistry from the University of Texas at Austin, where she focused on the development and exploration of novel organic and organometallic reactions. Her technical expertise spans organic synthesis, organometallics and catalysis, medicinal chemistry and polymer chemistry.

In addition to her Ph.D., Hannah graduated *magna cum laude* with a B.A. in biochemistry from Kenyon College and performed thyroid cancer research at the Ohio State University James Comprehensive Cancer Center.

Hannah is not licensed to practice law in any state and does not provide legal services.
