EVENT | 2.21.2025

The 10th Annual Vorys Economic Development Incentives Conference is a complimentary program designed to explore trends and best practices regarding economic development incentives. This year, the conference is on Friday, February 21, 2025 at the Hilton Columbus. It will again be co-presented by [Vista Site Selection](#), an ancillary business of the Vorys law firm.

The conference will feature panel discussions and guest speakers from around the country, addressing hot topics and best practices regarding economic development incentives for developers, companies and community leaders. This year's topics will include:

- How to Use AI for Economic Development and Site Selection
- Data Center Projects – Special Application of Economic Development Incentives and Principles
- 10 Years in Economic Development Case Study – The Columbus Region
- And more!

The itinerary for this year's sessions can be found on the [2025 conference website](#).
