5.2.2016

Vorys Partner Suzanne Scrutton will be a panel speaker at the 2016 American Network of Community Options and Resources Conference on May 2, 2016. The panel is titled "Medicaid Power Panel" and will discuss how Medicaid is constantly evolving at the state and federal level, how policies geared toward access to community services have impacted Medicaid law and how to use the information in your state to ensure individuals are getting access to quality community services.
