3.30.2016

Vorys attorneys Heather Enlow-Novitsky and Chris Ingram will be speakers at the 2016 Central Ohio InfoSec Summit on March 30, 2016. Their presentation is titled "Cybersecurity Act of 2015 and Other Hot Privacy and Cybersecurity Topics." Their session will provide details on the new law and its requirements, as well as address the current threat landscape, summarize existing data security laws in the U.S., discuss the new EU cyber directive, continued impact of the Safe Harbor decision and tips and tricks for compliance.
