1.22.2020

The past few years have brought numerous changes and challenges for behavioral health providers, and regulatory compliance has never been more crucial. On January 22, 2020 from 12 p.m. to 12:30 p.m. ET, Liam Gruz and Suzanne Scrutton, partners in the Vorys Columbus office and members of the health care group, will host a webinar discussing the key compliance issues providers should keep an eye on as they head into the new year.
