Jennifer Dunsizer, a partner in the Vorys Columbus office, will be present during the American Bar Association's 2022 RMD Rules for IRAs and Qualified Plans webinar on May 24, 2022.

The proposed regulations implementing the SECURE Act RMD rules were recently released. During the webinar, a panel will discuss what impact these regulations will have for clients, estate planning attorneys and plan administrators. They will also cover RMD rules, how they differ between IRAs and qualified plans, drafting considerations for the individual clients and for qualified plans, and how SECURE 2.0 will affect planning for individuals and plans.
