Vorys attorneys Rob Bell and John Sparacino will be speakers at the 37th Energy & Mineral Law Foundation Annual Institute on June 14, 2016. Their presentation is titled “Pre-Bankruptcy Strategies to Deal with the Downturn – What Industry Players Need to Know About Treatment of their Contracts in Bankruptcy.” Rob and John will discuss strategies producers and downstream players should consider to stay ahead of an economic downturn and what industry players and contract counterparties need to know about treatment of their contracts in bankruptcy, including the “white hot” strategy of debtors seeking the rejection and or negotiation of midstream agreements.
